Great War: Unknown War

PROGRAMME OF EVENTS
2017-2018 (PART 2)

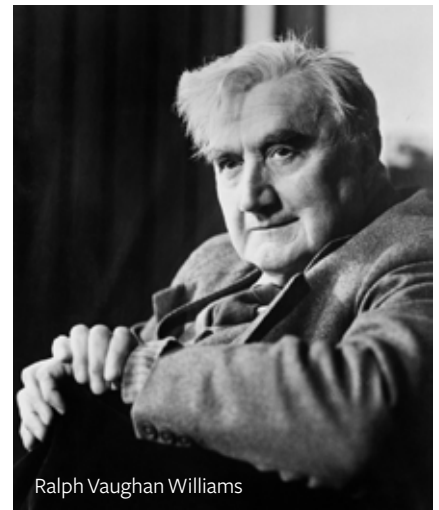

'Olympic with Returned Soldiers' by Arthur Lismer (1919)

The University of Southampton has organised a range of special events throughout 2017 and 2018 to mark the anniversary and climax of the First World War.

This is the second part of our 2017-18 programme, uncovering unknown and unusual aspects of the Great War. We have a rich series of events, drawing on expertise from across the University and beyond, in history, music and literature.

Events to look out for in this second part of the programme:

- A celebration of the work of Ralph Vaughan Williams
- Two major exhibitions at the Hartley Library
- Special lecture by Professor Margaret MacMillan on the end of war
- A series of 'Unknown War' lectures
- Study day on 'Dazzle' (Disguise and Disruption in War)
- 'Question Time' panel: a chance to put your views to the experts

Ralph Vaughan Williams
