

Week ending 6th July 2018 Newsletter

Recruitment continues over the summer at a slower rate but we are working to stock up and prepare for what we hope will be a busy winter season 3. Many thanks to all those sites that have got back to me to say they are happy to keep recruiting. Please check you green viral swabs and let me know if you need replacements. Once again, a huge thank you for all your recruitment efforts.
Gilly (Trial Manager)

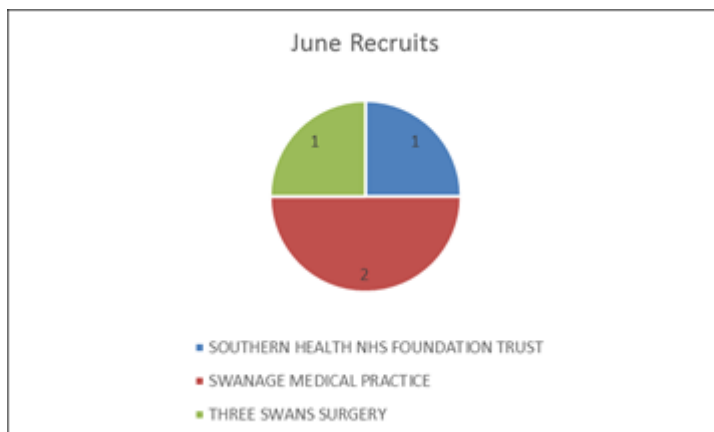

RECRUITS across all FOUR centres: 359

SOUTHAMPTON CENTRE

!!!! JULY COMPETITION – Next Recruit !!!!

***** June Competition winner - Three Swans - first site to recruit after a 3 month gap. Chocolates on their way *****

Well done to these sites who have all recruited in June.
