

Inspire young learners.

Practical Primary Science Evening

Sir Harold Hillier Gardens, Thursday 7th July 2016, 16:30 - 19:00

Join us for a hands-on evening of activities at Sir Harold Hillier Gardens near Romsey. The evening will focus on asking questions and working scientifically through practical activities including a session on effectively using the school pond.

To book a place email mslc@soton.ac.uk or call 02380 598810 Fee £30

Suitable for Primary Teachers,
Trainee Teachers and Teaching Assistants.

You will carry out the practicals and evaluate their effectiveness for teaching. All the electronic resources will be available to take away at the end of the session. We will also provide you with pizza, refreshments and an opportunity to network with other primary teachers.

The programme will centre on delivering inspiring practicals for teaching the KS1 and KS2 curriculum topics:

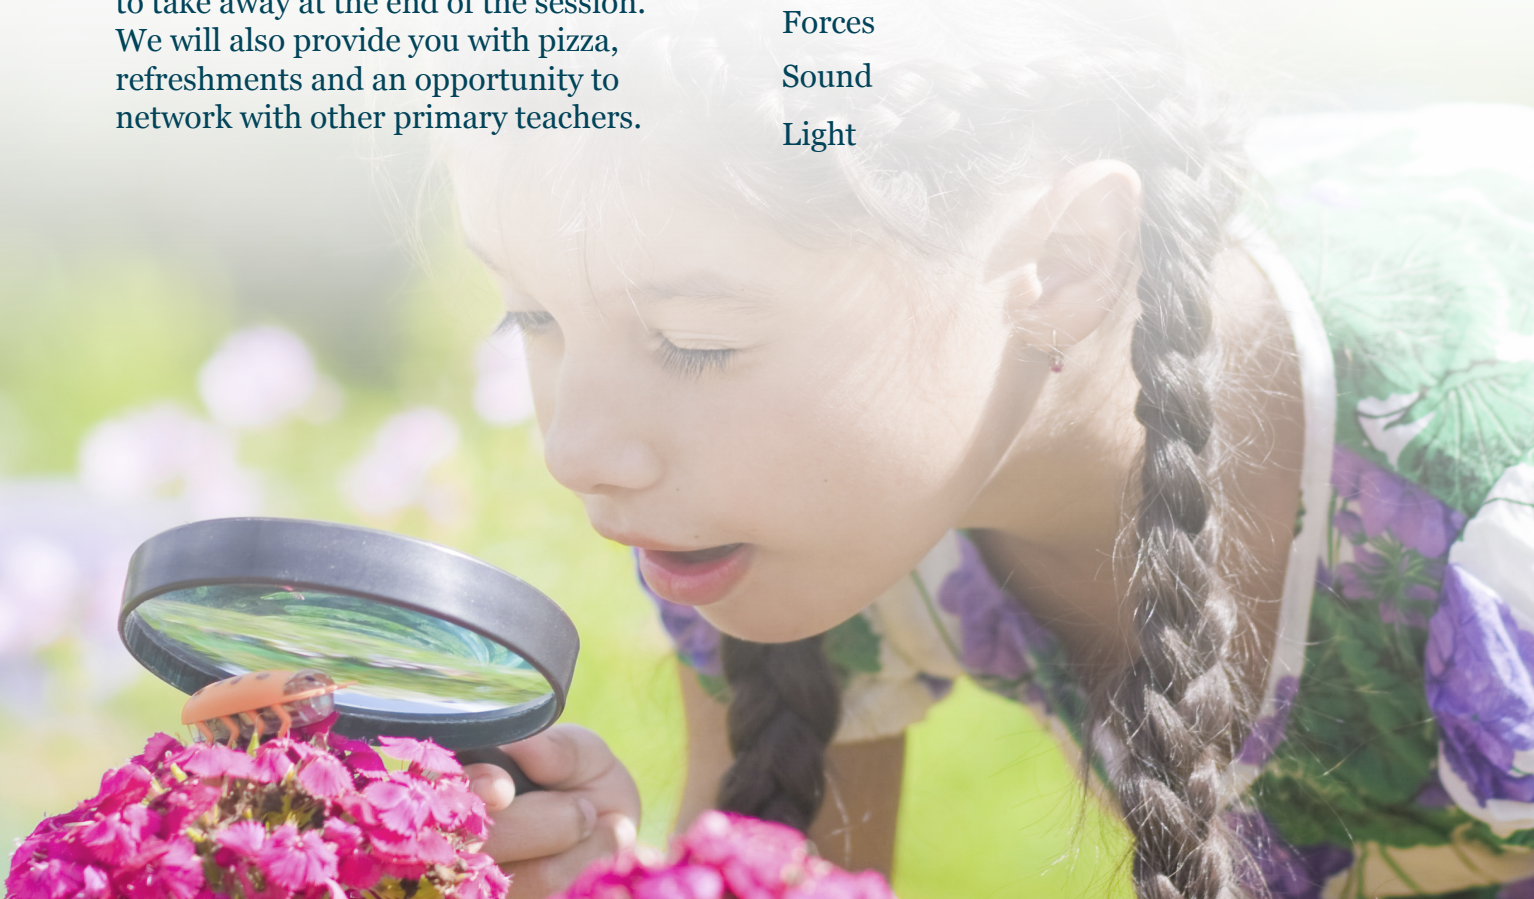

Life Cycles and Reproduction

Materials

Forces

Sound

Light

This CPD event has been organised through the Mathematics & Science Learning Centre. Please contact us if you are interested in having a bespoke event delivered in your school. 02380 598810 or email mslc@soton.ac.uk
