

CONSENT FORM CANcer Diagnosis Decision rules (CANDID study) Chief Investigator: Professor Paul Little

Please Initial	each	Вох
----------------	------	-----

- 1. I have read and understood the information sheet dated 24th September 2014 version 1 and have had the opportunity to ask questions that have been answered satisfactorily.
- 2. I agree to take part in this research study and understand that all my details will be kept confidential and my name will not appear on any reports or documents.
- 3. I understand that my participation is voluntary and that I am free to withdraw at any stage without giving reasons and without my medical care or legal rights being affected.
- 4. I understand that the UK cancer registries will be looked at for up to 5 years to review the outcome of my symptoms.
- 5. I understand that parts of my medical records relevant to the study and data collected during the study may be looked at by individuals from regulatory authorities, the CANDID study team or from the NHS trust where it is relevant to my taking part in this research. I give my permission for these individuals to have access to my data.

OPTIONAL

- 6. I agree to provide information via the Internet.
- 7. I agree to have a blood test and for some of that sample to be stored and held for future DNA analysis.
- 8. I agree to provide a saliva sample and for that sample to be stored and held for future DNA analysis.
- 9. I agree to be contacted at a later date to take part in an interview about my symptoms. Agreeing to contact now does not commit me to participation later.

Date of Birth: Post Code: Name of Patient Signature	10. Email address:												L	
Name of Patient Signature Da	Date of Birth:			<u> </u>	<u> </u>	<u> </u>	Post	Code	e:]	
	Name of Patient	 				Si	gnati	ure		 		 	 	Date
