Who are we?

Gradnet is an inclusive student run community for all postgraduates in the Humanities Graduate School. We work to provide Masters and PhD students with opportunities to socialise, work collaboratively and gain valuable career experience in key areas of academic life

What do we do?

- Organise an annual conference
- Produce an annual journal
- Arrange social and cultural events
- Offer discussion-based seminars led by current students

How do I get involved?

- Look out for our emails
- Attend as many (or as few) events as you like
- Join our Facebook page: http://groups.to/soton.hpgc

Alternatively, if you would like to join the GradNet committee and get involved with organising our next social event, journal edition or conference, please email us: **GradNet@soton.ac.uk**
