

Health and Pharma  
University-Industry Sector Team  
2<sup>nd</sup> Annual Conference

April 29, 2014  
Garden Court,  
Highfield Campus

*Working together for impact and innovation.  
Biomedical, Engineering, Science and Technology;  
BEST research for human health*

A conference where scientists from industry and university  
will exchange their views and experiences.

It's a day to hear about employability and research collaboration;  
A day to enhance your research and expand your connections.

**Don't miss it!**
