

# Stand out from the Crowd.

## Geography and Environment Employability Week 5-8 November 2013

**To discover the secrets  
to successful job hunting  
take advantage of our  
Employability Week events.**

Second and third year students can attend a variety of events designed to make getting your perfect job simpler including CV workshops, how to build networks, gaining work experience and how to succeed at interview.

Further details are available on the Geography Website and Blackboard.
