Dear Vivian Price,

G02296: Freedom of Information Request

We refer to your request for information under the Freedom of Information Act 2000 (the 'Act'), below.

The information you have requested is publicly available on the University's web site at <https://www.southampton.ac.uk/research/projects>.

As the information you have requested is publicly available, it is reasonably accessible to you by other means and is exempt information by virtue of [section 21](#) of the Freedom of Information Act 2000 (the 'Act'). Please note that (by virtue of section 21(2)(a) of the Act) information may be reasonably accessible to the applicant even though it is accessible only on payment.

If you do not feel that we have dealt with your request in accordance with the requirements of [Part I](#) of the Act, you may request a review. Your request for a review **must** specify in what respect you consider that the requirements of [Part I](#) of the Act have not been met; mere dissatisfaction with our response is insufficient. Please address your request for a review by completing the [form](#) and selecting Fol Review.

In accordance with paragraph 5.3 of the [Code of Practice](#), a request for a review must be sent within 40 working days of the date of this letter. The University is not obliged to accept any requests for a review beyond 40 working days. We will acknowledge your request for a review and endeavour to respond within 20 working days of its receipt but please note that a deadline for a review response is not prescribed by the Act.

The Information Commissioner is responsible for enforcing rights of access to information and the operation of the publication scheme. You may apply to the Information Commissioner in writing

(FOI/EIR Complaints Resolution, Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire SK9 5AF) or [electronically](#) for a decision whether, in any specified respect, your request for information has been dealt with by the University in accordance with the requirements of [Part 1](#) of the Act. The Information Commissioner will not normally act unless they are satisfied that the University's review procedure has been exhausted.

Yours sincerely,

Freedom of Information
Legal, Corporate and Information Governance
University of Southampton
