

Install ARM® Keil® MDK License

1. Login with an account that has administration rights.
2. Right-click the μ Vision icon and select **Run as Administrator...** from the context menu.
3. Open the dialog **File – License Management...** and select the **Single-User License** tab.
4. Click the button **Get LIC via Internet...**, then click the button **OK** to register the product. This action opens the License Management page on the Keil web site.
5. Enter the **Product Serial Number (PSN)** for the Single-User License along with your contact information and click the button **Submit**. An e-mail is sent back with the **License ID Code (LIC)** within a few minutes.

6. To activate the Software Product, enter the **LIC** in the field **New License ID Code (LIC)** of the dialog **License Management...** and click **Add LIC**.

The screenshot shows the 'License Management' dialog box with the 'Single-User License' tab selected. It contains a 'Customer Information' section with fields for Name, Company, and Email. Below this is a table with two columns: 'Product' and 'License ID Code (LIC)'. The table lists five products, each with a corresponding License ID Code. At the bottom, there is a field for 'New License ID Code (LIC)' containing the same code as the first row in the table.
