What is EPSRC CDT in NGCM?

- EPSRC (Engineering and Physical Sciences Research Council)
- CDT (Centre for Doctoral Training)
- NGCM (Next Generation Computational Modelling)
- See <http://ngcm.soton.ac.uk> and <http://ngcm.soton.ac.uk/blog>

Develop the
future of simulation.
Next Generation
Computational
Modelling

- high performance computing
- state-of-the-art simulation methods
- research code development
- robust software engineering
- applications with impact

Join us at the EPSRC Centre for Doctoral Training
in Next Generation Computational Modelling
